Re: Resumption of Hair Services

I am pleased to inform you that Marcel, our hairdresser, will be returning commencing July 8 to provide hair services on a limited basis. He plans to work Wednesday to Friday, as needed. At this time, in accordance with Shared Health Principles the only services that can be provided are shampoos, haircuts and sets. No colouring or perms are permitted.

Prior to July 8 Marcel will be working to prepare the salon for use. A list of residents most in need of haircuts has been provided to Marcel. He will develop of schedule of appointments allowing adequate time for transportation and proper cleaning between each appointment. Unit Staff will be escorting/transporting residents to and from the salon for the appointment.

Between each appointment Marcel will be cleaning contact surfaces and equipment. He will be wearing a non-medical mask during provision of service, performing necessary hand hygiene and will be providing each resident with a clean cape and towels. Only one resident will be permitted in the salon at a time.

For the continued safety of our residents and employees, no individuals other than residents will be receiving hair services in the salon at this time. Please let me know if you have any questions.

Thank you everyone for your continued patience as we are able to restart another needed service for our residents,

Sincerely,

Roslyn Garofalo
