

FRED DOUGLAS
SOCIETY

Uniting Health, Heart and Home

September 26, 2020

Hello to Fred Douglas Lodge families and loved ones,

This is further information and clarification regarding the notification that was sent yesterday on the resumption of visiting commencing on Monday September 28. As a result of Manitoba's Chief Provincial Public Health Officer elevating the Winnipeg Metropolitan Region to the Restricted Level, or orange, on the #RestartMB Pandemic Response System, Designated Visitors are only permitted to visit residents in their room, **one at a time**.

Please remember that all Designated Visitors have been pre-registered with the Lodge. Anyone who is not a Designated Visitor is considered a General Visitor and is permitted to visit during scheduled visits arranged with Tatiana at tmorcilla@fdl.mb.ca (ext 123). At this time due to the restricted level, indoor visits for General Visitors are not taking place, however, weather permitting and based on the tolerance of a resident, an outdoor visit can be scheduled. These measures will be in place for at least the next 28 days as declared by Dr. Roussin.

Thank you for your patience. Please let me know if you have any questions.
