Dear Fred Douglas Resident Families and Loved Ones;

Resident COVID Update:

It is with heavy hearts that we announce a resident death due to COVID-19. We have also been advised of 1 additional resident case on Evergreen and one resident with COVID-19 has been declared recovered. The status with our COVID outbreak is:

Total Resident Cases:	26
Active:	16
Recovered:	6
Passed Away:	4

Staff COVID Update:

We have been advised of 2 staff members who are direct care providers testing positive for COVID and one staff member has now been deemed recovered and has returned to work. The active case count for staff is 7.

If you have any questions about the health status of your loved one, please call the Unit. As nursing staff are very busy at this time, please have patience in getting a call back if you leave a message.

Sincerely,
