Dear Fred Douglas Resident Families and Loved Ones

With the high rate of community transmission, management continues to be made of aware of employees who are testing positive for COVID-19. As such, our current status is:

Staff COVID Update:

There are three new staff cases to report.

Total Staff Cases:	7
Active:	6
Resolved:	1

Of the seven staff cases, it appears that 2 are linked and the others are community/household contacts.

Resident COVID Update:

Total Resident Cases: 0

Residents who are considered contacts are being tested and loved ones will be notified by unit staff. To date, those who have been tested have received negative test results.

All residents are being closely monitored, including twice/day temperature checks. Staff movement continues to be minimized as much as possible.

All visiting continues to be suspended, with the exception of virtual visits. Virtual visits can be booked by contacting Michele Barr at (204) 586-8541 ext 135 or [mbarr@fdl.mb.ca](mailto:mbarr@fdl.mb.ca)

If you have any questions about the status of your loved one, please call the nursing unit.

Thank you for your on-going well wishes and words of encouragement for our employees.

Thank you,

Roslyn Garofalo  
CEO
