January 13, 2022

Dear Fred Douglas Resident Families and Loved Ones,

Today management was made aware of 2 residents who have tested positive for COVID-19. No new staff cases have been identified since the last update. Our current status is:

Resident COVID Update:

Total Resident Cases: 3
Active: 2
Passed Away: 1

Staff COVID Update:

Total Staff Cases: 22
Active: 6
Resolved: 16*

*Resolved means the employee has isolated for, at minimum, the required 5 days

We continue to monitor for proper PPE and hand hygiene compliance and our enhanced cleaning protocols are being maintained. The importance of physical distancing while on breaks and whenever possible continues to be emphasized.

All residents are remaining on their units and are being encouraged to wear masks as tolerated. Recreation activities and spiritual services are continuing on each unit.

Thank you for your patience during this period of suspended in person visiting. For those who are praying for the continued safety of our residents and employees, thank you; this is much needed. If you have any questions about the status of your loved one, please call the nursing unit.

Thank you,

Roslyn Garofalo
CEO
